

Values are expressed in ways in which people think and act

Key competencies are the capabilities people need in order to live, learn, work and contribute as active members of their communities

VALUES

KEY COMPETENCIES

PRINCIPLES

REAL LIFE ISSUES AND CONTEXTS

Helping students become confident, connected and actively involved life long learners

Student learning is more meaningful when addressing real-life issues in real life contexts

AN INTEGRATED VISION FOR LEARNERS

EFFECTIVE PEDAGOGY

SUSTAINABILITY AND ENTERPRISE

PLANNING WITH A FOCUS ON OUTCOMES

EXAMPLE

Integrated understandings are important for students to become connected, recognise interconnections and apply in real contexts

Students are more motivated when they understand the outcomes they are working towards and know why these are important

Establishing supportive learning environments identify student's needs. Using good teaching practice and working in partnership with communities
