

## Blended Learning Strategies – Template

Select a strategy you wish to introduce, and jot down the method to be used in each of the four areas. Refer to the example.

Overall Strategy	Strategy for Content	Strategy for Activities	Strategy for Communication/Interaction	Strategy for Assessment
1.				
2.				
3.				
4.				

\*This can also include strategies for interaction – student-content, student-student, student-lecturer.
