

Scenario Planning for Educators

SP4Ed mOOC

Free learning opportunities
for all students worldwide

**Do you want to learn
how to plan for
uncertain education
futures?**

Scenario Planning for Educators (SP4Ed)
is a **free**
micro Open Online Course (mOOC)
which simulates the scenario planning process
for navigating uncertain education futures.

Register online:

www.wikieducator.org/SP4Ed

Starts: 29 July 2013

Where: Online
