

## Report to 2011 ITP Library Managers Forum

### An update on EBL Demand Driven Acquisitions

	July-December 2009	2010	2011
Auto-purchases	83	285	177
Purchases	41	19	12
Short-term loans	1535	3195	1535

We now own nearly 800 EBL e-books, of which 349 have been purchased in the last 12 months.

In the last month, one of our tutors has selected as a Set Text an e-book accessible through the Library and advised our student textbook supplier, Tertiary Texts, not to stock the print version. A great win for students not having to buy the textbook!
