

**How will you cater for different learning styles?**

List one or two techniques you will use to address each style

Visual learners

---

---

Auditory learners

---

---

Kinaesthetic learners (touch, movement)

---

---

Emotional learners (sensory feeling, emotional connecting)

---

---

**Bringing my presentation alive**

List at least 2 ways in which you will make your presentation:

- *Relevant*

---

---

- *Enjoyable*

---
