

## **Education Projects**

### Wikieducator Projects

Social Studies Resources Database  
American History Film Database  
Global History Film Database  
Curriculum Planning for Community School?

### Related Research Projects

Process of building wiki databases (theory of construction, co-construction process, content of discussion threads, content and conduct of workshops, etc.)  
Content of wikidatabase (what is the result of the overall construction? construction of a model of the multiple uses of wiki in different settings)  
How the wikidatabase is actually used in practice
