

Maintenance assistant

We are seeking a suitable applicant to fill a diverse and challenging junior role in our maintenance team.

This dynamic role entails: General duties, regular maintenance on small outboard boat motors & mechanical equipment, assisting engineers on amusement ride maintenance & general jobs including paving, painting and carpentry.
You should be self motivated and have a passionate energy towards people and getting things done.

Suitable candidates must have some qualification in a mechanical or engineering field or be in the process of getting a qualification.

You must have a full NZ Drivers license & be fit and strong as there is some lifting required.

Useful skills to have include:

- Experience with small engines and outboard motors, welding and machining.
- A focus, understanding and qualification in workplace safety.

Those interested in applying for this position will need to be available to work weekends, where shifts can fall normally on both a Saturday & Sunday, however hours are generally Monday to Friday 7am - 3.30pm.

This role is based on a 3 month contract with the possibility of an extension as park demands increase.

This is a fantastic opportunity for someone beginning their career to gain valuable experience at one of NZ's premier tourist destinations.

If you are interested in this position, please email a covering letter and CV in word format to info@rainbowsend.co.nz no later than 5.00pm, Saturday 12th September 2009.
No recruitment agents please!
