

Teacher Self Appraisal

Teacher.....

Date

What are the good things happening in my class?

What is the thing that I like best about being a teacher?

If I could change one thing about my teaching it would be?

My professional development has been?

I have worked on these goals this year?

Next year I would like to work towards these goals?

Comment on:
Professional knowledge

Professional practice

Professional relationships

Professional leadership

I contribute these things to the school and wider community.
