Summer Internship

“Evaluation of Social, Economical and Financial transaction cost for project e-krishi”

(Team size 4), Under National Institute of Smart Governance (NISG)

E-krishi is a Market Driven Agricultural Initiative through IT enabled Agri Business Centres in Kerala State implemented by Kerala State Information Technology Mission (KSITM) & Indian Institute of Information Technology & Management - Kerala (IIITM-K) in collaboration with Department of Agriculture.

Profile: On the behalf of NISG and IT department of Kerala, we were appointed to evaluate the e-krishi project effectiveness. Based on our final report decision regarding further replication of project in other districts of Kerala will take place. Our work included formulating survey methodology, collecting and compilation of data. We submitted a comprehensive report after conducting the data analysis using EXCEL and SPSS (Statistical Package for Social Sciences) software.
