

Learning Pathway Outline Template				
Full name of student:	Wayne Mackintosh			
Course:	Empowered digital teacher for online learning (EDT4OL)			
Title of learning pathway:	Outlining a learning pathway			
Sub-page title	Content summary	Sub-headings	Form elements (Images, media, pedagogical components, activities)	Assessment (Summative / Formative)
Overview	1) Describe the purpose of the learning pathway 2) List objectives	N/A	Abstract image of screens showing sequence	N/A
Video signpost	Introduction to learning pathway	N/A	1) Video Screencast showing sub-pages and summary of what will be covered 2) Microblog reflection post	N/A
Sequencing and chunking	1) Introduce ways content can be sequenced 2) Describe concepts of sequencing and chunking taking responsive design for mobile devices into account 3) Note importance of consistency.	1) Sequencing 2) Chunking 3) Consistency	1) Image – Flowchart process 2) Photo of mobile phone showing portrait orientation	N/A
Thinking about visual design	Describe the interplay between content and form	1) Visual design considerations	Look and share microblog activity.	N/A
Start – Outlining a pathway challenge	1 st of three sub-pages providing instructions for the challenge.	1) Challenge summary 2) Stimulus resources – Examples of storyboards 3) Purpose of the challenge	Pedagogical templates to signal sub-components	Overview of summative assessment task.

Sheet1

Tasks – Outlining a pathway challenge	2 nd of three sub-pages providing instructions for the learning challenge. 1) List the tasks to be completed	N/A	N/A	Actions for summative assessment task.
Outputs – Outlining a pathway challenge	Personal blog post. 1) Specify requirements for the outputs of the challenge	1) Part A – Complete the learning pathway Outline Template 2) Part B Publish blog post hyperlinking to completed outline and provide learning reflection and self assessment	Traffic light table template.	Self-assessment activity using traffic light system.
Quiz	Short knowledge quiz covering concepts covered in the learning pathway.	1) True-false questions 2) Multiple choice questions	1) Image: Test signboard. 2) Wikieducator quiz syntax.	Formative assessment with immediate feedback on correct and incorrect answers in preparation for course knowledge test for the award of the participation badge.
