The Mystic Energy Bead connecting the Tree of Life with the Source of Life

सूर्योहम्

“In this busy modern world, the purity of body and mind is attained through *Sooryayog* (a technique to harness the energy of the Sun for purification of the body, mind and spirit) and through *Chidakashyog* one attains Self-knowledge.”

Shivajataamani, a blessing received through Sooryayog is a very rare energy booster, purifier and soul elevating divine bead. It is presided over by *Bhagavan Sri Aghora Mrutyunjaya*.
