A twist in the tale

2

Now retell the story from the Fairy Godmother's point of view.

Think about why she wanted to help Cinderella, and how she felt after Cinderella got married to the Prince.

2

Now retell the story from the wolf's point of view.

Think about the excuses the wolf would make up to explain the events that took place.

2

Now retell the story from one of the ugly sisters' points of view.

Think about the excuses she would make up and how she would feel after Cinderella marries the Prince.

2

Now retell the story from the evil stepmother's point of view.

Think about the excuses she would make up to explain her actions, and how she would feel after Snow White wakes up and marries the Prince.

2

Now retell the story from one of the dwarves' points of view.

Think about how they might have felt when Snow White came to stay, nearly died and then awoke again and married the Prince.

2

Now retell the story from the evil fairy's point of view.

Think about what excuses she would make up to explain her actions, and how she would feel when Sleeping Beauty wakes up and marries the Prince.

2

Now retell the story from Baby Bear's point of view.

Think about how the bear would feel about someone using his things and then escaping.

2

Now retell the story from the evil witch's point of view.

Think about how she would feel about the two children getting the better of her... Decide whether you want to write as the dead witch or as she burns in the oven ...
